You must be an Undergraduate Student in order to place the course on Pass/Fail.

Students who have earned at least 24 credits and are not on scholastic probation may place three courses, for no more than 12 credits, on Pass/Fail. Students may not place more than one course each semester on Pass/Fail, nor more than one during the summer, regardless of the number of summer sessions attended.

Students must place courses on Pass/Fail during the first two weeks of the semester. If a student, having placed a course on Pass/Fail, decides to remove it from Pass/Fail, the student must do so by the ninth week of the semester. Consult the Center for Continuing Studies for summer session deadlines since they vary with the length of the session.

Restrictions on Pass/Fail Courses. Courses placed on Pass/Fail do not satisfy the General Education Requirement, the major or related requirements, the skill requirements or any school or college course requirement. Pass/Fail credits may not be acceptable when a student changes majors or schools within the University. Pass/Fail credits may not be transferable to another institution.

In the School of Business, students may not elect the Pass/Fail option for any course taken within any of the departments of the School.

In the School of Engineering, no course taken on Pass/Fail may be counted for credit toward graduation.

In the Ratcliffe Hicks School of Agriculture students may only place one course on the Pass/Fail option.

Non-degree students must have the approval of the Director of the Center for Continuing Studies to place a course on Pass/Fail. The Dean grants permission only in extenuating circumstances.

Students working on a degree at another institution need written approval from their dean, or other official, at the other institution to place a course on Pass/Fail.

The Registrar does not place a student on the Dean's List if the instructor's grade for a Pass/Fail course is less than C or if there are fewer than 12 credits in graded courses. Note: at least 54 credits must be in graded courses to graduate cum laude or higher.
